Thomas J. Tobin
Coordinator of Learning Technologies
Center for Teaching and Learning
Northeastern Illinois University

Mr. Tobin,

Thanks for your contributions, both at our Showcase '16 event and for your subsequent follow-up. We have had some strong positive feedback about your presentation, 104 Best Teaching Practices in Brightspace. It was a pleasure to have you visit us.

Sincerely,

Bradley Ackroyd

A handwritten signature in black ink, appearing to read "Bradley Ackroyd", is written over a large, light-colored scribble.
