Please indicate your level of agreement with the following statement.

1. I am satisfied with the keynote presentation.

2. What did you like most about the event?

- Ability to learn new and different ways to improve our students’ experience with our courses.
- Can you do better than Dr. Tobin? :)
- Dr. Tobin and his delivery about UD for Learning was fantastic!
- I enjoyed hearing from Tom Tobin about UDL.
- I liked essentially everything about the event.
- I liked that I felt like I learned something that could apply to my teaching in a way that would benefit my students.
- I wonder what it would take to make the content from the keynote available to faculty and to get more of them to make time for this type of content in the future.
- Keynote and Panopto.
- Keynote presentation which provides tips that benefit admins and support teams besides instructors.
- Keynote speaker and ICON All-Star Awards.
- Keynote speaker.
- Keynote was great.
- Keynote, getting to chat with campus partners during the keynote, learning new ideas from the different presentations.
- Keynote, networking, and lunch! It was delicious!
- The keynote presenter’s material was actionable right away and he seems to have credibility in the UDL area.
- The keynote was extremely informative and engaging.
- The keynote was phenomenal.
