9. A useful idea I will take with me from this program is (list) ⓘ

I was not aware to the mandate to make all online documents accessible, although I have started making sure my newer documents/presentations are accessible. I was happy to learn that there are a lot of resources available through Blackboard and NIU.

Defining UDL

Giving practical ways to get started making changes to improve UDL

Accessibility tools

Better access in my courses.

Plus one thinking

I was not aware the Blackboard had an accessibility function available to students!

10. If you Disagree or Strongly Disagree with any of the items above, please explain below. If you have additional comments about this symposium or suggestions please add them below. ⓘ

N/A

11. If you would be interested in joining a book club or faculty learning community during the spring semester to continue discussing related to equity and grading please enter your information below (Name, NIU Email, Department/College). ⓘ
